Subject: Cover Letter for Internship Application

Dear Sir,

I am a 2nd-year college student currently pursuing a degree in B.Tech in Computer Science, with a strong interest in web development. I am seeking a **1.5 to 2-month internship opportunity**, as part of my academic requirement, where I can apply my skills and gain practical industry experience.

As part of my academic requirement, I am available to intern from mid-June to the end of July or mid-August, depending on your team's schedule and project needs.

I am particularly interested in your organization as I believe it offers a platform to learn, contribute meaningfully, and grow professionally.

Attached is my resume for your consideration. I would be grateful for the opportunity to discuss this further.

Thank you for your time and consideration.

Sincerely,
Krrish Tayal
